

## **WORKSHEET 5-2**

### ***Charging System Visual Inspection***

Vehicle	Year/Prod. Date	Engine	Transmission
---------	-----------------	--------	--------------

### **Worksheet Objectives**

When you have completed this worksheet, you will be able to demonstrate a visual inspection of the charging system on an actual vehicle.

### **Tools and Equipment**

For this exercise you will need the following:

- EWD
- Repair Manual
- Vehicle

### **Exercise 1: Visual Inspection**

**Caution - The battery contains sulfuric acid. Take precautions to avoid possible injury or damage to the vehicle:**

- Remove rings, wristwatch, and any jewelry.
- Wear safety glasses and protective clothing.

Inspect each component on the list below. Describe the condition of each item you inspected in the table below:

Inspection Item	Condition
Battery	
Fuses, fusible links	
Alternator drive belt	
Alternator wiring	
Alternator noise level	
Charging indicator
